From your Editor

Hiya Guys!

What a busy few months your hard working editor's been having recently! I'd never really thought of myself as a film director (and I'm still not!) but being so closely involved with our video making colleagues in the Netherlands has been a real eye opener for me. They've been tremendously receptive to our ideas and suggestions, and even the 'rough cuts' I've seen (that's high tech. talk in the video and film business) so far have been impressive to say the least. By the time you read this the final editing should have been finished, and I can't wait to see the polished final products. This new digital video thing is absolutely fabulous, with unbelievable detail and quality. As our regular readers will know, we're not involved in selling videos, and this will remain the case for the foreseeable future - or until our government changes it's draconian rules on personal freedom - or hell freezes over!! To find out more about these videos and the possibility of obtaining them in the UK please write directly to our colleagues in Amsterdam. You'll find the address further inside this magazine. Talking of Amsterdam, I'd like to take this opportunity to clear up a rumour that's been going around the scene for a while. It's true that Mark and I have been commuting here regularly and have fallen in love with the place! We've made the first steps with a view to relocating to the most exciting gay capital of the world, and we have taken an apartment in the centre. Some people have been very disturbed that this could mean the end of the 3I Club in London. Let me assure you that nothing could be further from the truth!! We think of the 3I Club as 'our baby' - and we'd never let it go! It has taken a lot of hard work by a lot of people (not forgetting our members) to make the club the fantastic success that it is. Even over here, in Amsterdam where I'm writing this editorial, there isn't a club or venue that comes anywhere near to the friendly and cordial atmosphere that has made the 3I Club the envy of the world. In that respect, 3I Club members could teach them a thing or two! So, for as long as KLM are around, so will the 3I Club.

Our regular readers will know only too well that I'm about the most anti-ageist protagonist around on the scene - after all I've been around it for quite a while now! What's brought this to mind? Well, I've had a couple of disturbing letters lately. It seems that some of our new readers are guys that seem to have taken it for granted that they'll most likely get ripped off when using specialist magazine services like ours. They look on it as a kind of lottery - there's just a bit more than a million to one chance that they'll win. It's a sad fact of life that there are rip-off merchants out there who prey on any vulnerable minority group. I myself keep a very close personal eye on the magazines that come and then go after grabbing your hard-earned cash - and it saddens me that these despicable people are allowed to get away with it. And the ageist thing? Well, it occurred to me recently just how long we've been around on the scene now - in fact it's more years than even I care to remember! I like to think - in fact I know - that the dedicated team here all share the same objective - to make the scene accessible to as many guys as possible. We're not a charity. We're a small business ... a small business with all the overheads and costs of any other small business. What we try to offer is genuine value for money. And in the main our

Dear Editor,

I've enclosed the completed NedQuest form regarding the videos, and I think you've really hit a nerve! It's so refreshing to find that somebody cares enough to try and give the customers what they want rather than push what they have to offer. By various and dubious means I've managed to collect a few videos over the years, but almost to a fault they're copies of copies of copies and the quality is at best dreadful. And the limited content makes a fast-forward control virtually mandatory. What really pisses me off, though, is that if I lived outside of the UK I'd be quite free to buy any kind of video I want! I don't think the kind of 'mind control' we have here is particularly useful or helpful to our society, but this goes against government policy (of whatever political persuasion). Like another of your recent correspondents I thought that we were now fully integrated into Europe, and able to enjoy the many benefits that this brings. But no! Even the right to have gay sex with more than one partner (quite permissible for God-fearing bible-bashing heterosexuals over here, of

course!) had to be forced upon us from Brussels. I'd love to go ranting on, but I'm sure that most of your readers share my anger. In the meantime I sincerely wish you every success with this exciting project - even if I don't get to see the results!

Regards

Harold

Chiswick. London.

Harold ... Harold ... Harold! Calm down or you'll blow (sorry, burst!) a blood vessel! Yours is just one of the many, many letters we've received since sending out the NedQuest questionnaire, and most of them echo your sentiments. Some of them go even further than you, making them impossible to print, even for us! In fact the video project isn't ours ... it's just our expertise and advice that's involved. Day after day we get literally hundreds of requests for videos dealing with our scene, and always our answer has to be the same ... a regretful 'no-can-do'! For the foreseeable future this will continue to be the case. However, our friends in the Netherlands have assured us that they can guarantee delivery of their excellent videos into the UK, so perhaps

you could contact them directly. Their details are advertised in this edition. Please, please, though don't contact us directly about these videos ... we have to operate within the (albeit antiquated and out of date) laws of the land.

Dear SIR! editor,
I know you must get a lot of letters in your postbag, but my partner and I thought it might be good for you and your team to get another one to say what an inspiration you all are to us. We just don't know how you manage to home in on the needs of guys like us, but we're both glad that you do, and do it so well! I know a lot of guys on the scene have got used to being ripped off, but you really do seem to regularly deliver the goods with great stories and pictures. You seem to come across as a bunch of genuine guys, genuinely into (or should I say devoted to?!) the scene. It's a shame that we live so far away from your 3I Club as it sounds a fantastic club to meet people. Well, we don't want to make you too big headed (only joking!) but would like you to know just how much you're appreciated. Keep up the good work

Martin and Paul
Southampton.

Hi Martin! Hi Paul!
First off we can never get enough flattering letters like

yours! It's this kind of feedback from our readers that has guided us since we started, and we're still trying to adapt each issue to satisfy the growing demand. It's almost impossible to satisfy all the people all the time, which is where our associate magazines come in to fill the gaps. First we launched 'Houseboy magazine' to cater for the more domestic type of scene, then DV8 magazine to cover some of the more eclectic tastes. Of course there will always be the 'grey areas' where one scene blends into another, and there's an overlap. Well, that's just as it should be. Discovery is what makes our scene so incredibly exciting!

Regarding the 3I Club - what d'you mean that you're so far away?! We have members regularly visiting us from every part of the UK plus most of Europe, and we have members in Australia, South Africa and the USA. (OK, so they're very rich or able to arrange their 'business trips' around the club dates!) But we have quite a few members in your neck of the woods - you might be pleasantly surprised who you bump into!!

Get a train!

Dear Chris ~~about~~ To ~~good~~ odd
I wonder just how genuine your letters and personal adverts are. If you print this then I guess you'll have proved me wrong. With this

letter I've enclosed some replies to some of your box numbers, hoping that I'll meet some compatible guys. It's not easy for guys like me to make contact with others, so I'm taking a chance in believing that you're all you're cracked up to be! Please prove me wrong.

Craig
Edinburgh

OK Craig! I've decided to print challenge!

I know from the loads and loads of letters we receive day after day that our personal ads really do work, and that they have made a real difference to so many of our reader's lives in finding friends and partners in the most unlikely of locations. We have put in place several restrictions that make it difficult for hoaxers to use our service, and we police these very rigidly. I readily accept that nothing is perfect in this world, but assure you that we do everything in our power to maintain the reputation that 'we're cracked up to be' !

As for the letters ...!

Ed.
And on the same theme....

Dear Chris,
I'm a self confessed sceptic. In utter desperation I took to using your classified ads in the hope of finding at least one friend who shared my interest in CP. and S&M. Somehow I thought that there was something pathetic and degrading in resorting to

using the personal ads column in yours or any other publication. But needs be and the devil drives, I had no other choice. In the past using other publications it has always turned out to be a total waste of time and money. But with your magazine I managed to achieve an unbelievable success rate! Alright, so some of them replied saying that either they were already fixed up, or that I wasn't quite what they were looking for. But at least I always got a courteous and prompt reply! This speaks well of the way you run your classified ads. So far I've made quite a few new friends using your classified ads, and that in itself's made a very big difference to my life. I no longer feel so terribly isolated and alone, but rather that I'm a part of a large fraternity that welcomes like-minded friends like me. I haven't yet met my mister right, but at least I'm now in with a very good chance. I'd just like register my sincere thanks to you all for providing such an essential service to our community.

Please feel free to publish all or part of this letter.

Yours ever gratefully
Mike
Bridport.

Hi Mike,
It's letters like yours that make all the hard work and frustration we regularly have to endure here at the office

worth while. We know that we can't ever be all things to all men ... but we try damned hard to try and make life just that little bit better and more exciting for our friends on the scene. Of course, there'll always be the sceptics who doubt our sincerity, but all we can do is keep on working hard to bring to the guys on our scene closer together.

Ed.

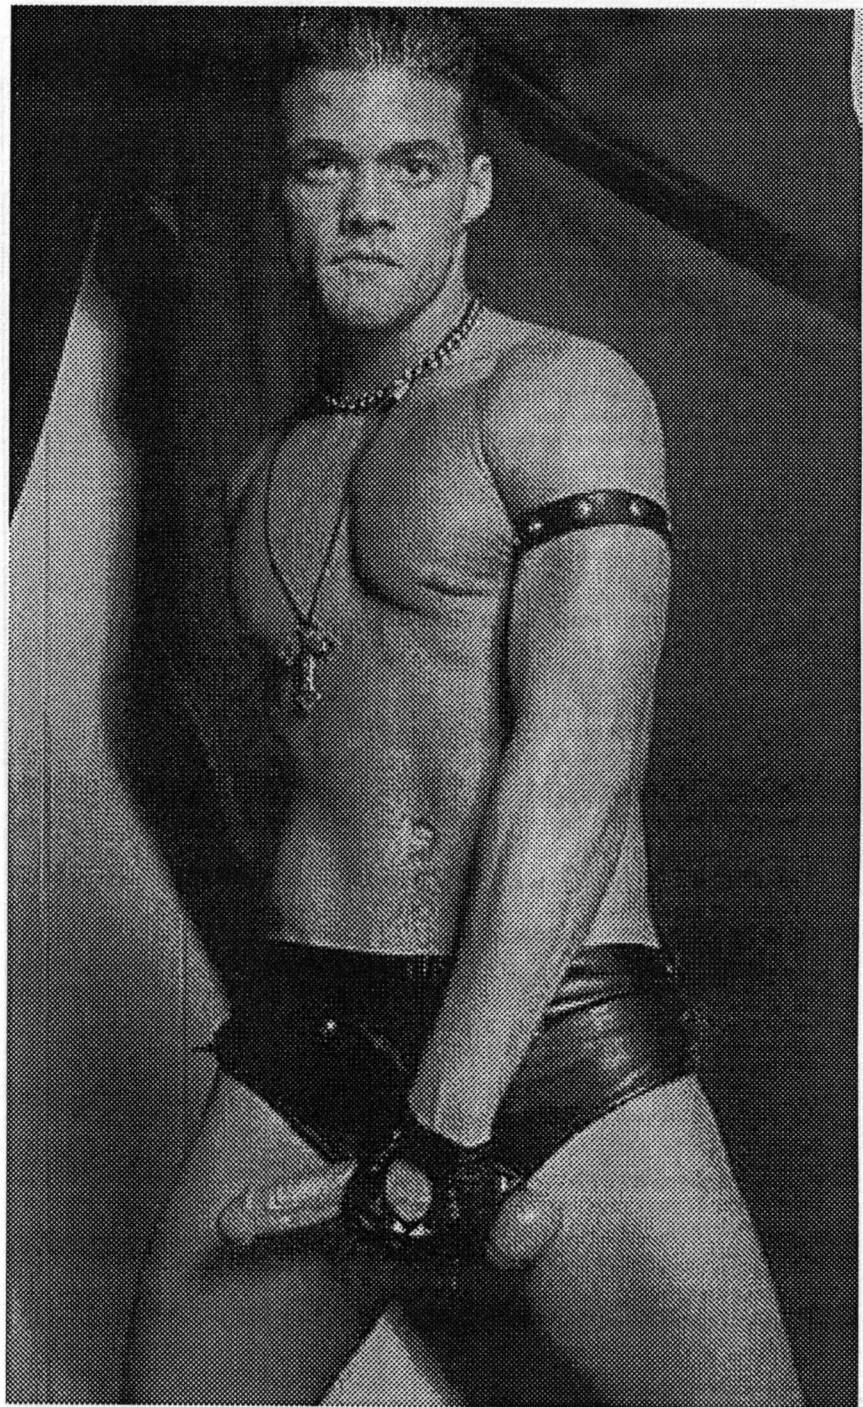

Dear Chris

It seems to me that there's all sorts of controversy and discussion about top guys going sub and vice versa. Some of the guys I know on the scene have a problem with this, but I don't see it as a problem myself - in fact I enjoy the occasional turnabout scene very much indeed! And the guys I go with certainly enjoy it. I'm basically a bottom guy, and have had a lot of experience in being trained to serve Master's in their own particular way. Fortunately for me, I've found that no two Master's are the same, so there's always something new to learn - and this includes swapping roles on occasion. It first happened when I'd been serving this hunky butch thirty odd year old leatherguy a few times. I'd always thought of him as a dedicated Master, and I'd never had the faintest inkling about his well hidden submissive tendencies. I'd arrived at his house one night, letting

myself in with the latch key as usual. It was part of his routine that I went directly to his punishment room, strip completely and wait for him to summon me. As I opened the door to the punishment room I was a bit surprised that the dim light was already switched on. Standing in the place where I usually had to wait was my Master, stark bollock naked except for my thick leather collar around his neck. His cock was as hard as a rock - something he always immediately punished me for. As I approached him he bowed his head to the floor just like I always did, and told me that I was to be his Master for tonight. I was completely gobsmacked! He was actually giving me an order, and I knew that his orders were to be obeyed. Knowing how seriously he took the scene I took his order, as bizarre as it seemed to me at the time, at face value. Any orders he'd ever given me were never up for any kind of discussion, so I assumed this was to be the same. I immediately ordered him to stand against the wooden cross then fastened him spread-eagled ready for a thrashing. As he was considerably taller than me at over six foot, I appreciated the pulley system on the restraints that allowed me to stretch each of his limbs tight making it almost impossible for him to move a muscle. I was well used to being put into bondage and stretched

like this and knew just how vulnerable it felt. Then I gave him a good hard belting, telling him that he was being punished for having a hard on without my permission. This was just how he'd treat me. Then I realised that all I was doing was simply reversing what we usually did, just changing places. This would mean that he could almost anticipate precisely what was going to happen - and I didn't want that at all! I wanted him to feel all the things I wanted to feel as a bottom guy. Not knowing quite what to expect next was a big part of the excitement for me being a bottom. And I decided it was time for to experience just the same. I unfastened him and told him to go and get dressed and that we were going out. The expression of disbelief on his face was quite astonishing but he disappeared up the stairs, then came back dressed in his full leathers. I told him that he was going out as my slave and to and to go back up put on something more appropriate. He soon came back wearing just a really tight pair of jeans, tee shirt and boots. I'd never seem him dressed like this, and he looked really great. Then I told to get the car and that he was to drive me to one of the S&M clubs we'd occasionally been to. I figured that if he really did want to serve me, then he'd want to do it right, no matter how humiliating I made it for him.

We were recognised as went into the club, but there was the occasional quizzical look as they saw me, a slender twenties guy with a tall, well built hunky slave following obediently behind me. I went to an available stool and sat down, knowing that is was forbidden for slaves here to use the stools. I made strip down to just his jock strap and boots and then told him to kneel down and start licking my boots. Of course the other regular Top guys at the bar knew exactly what was going on, and never made a mention of the fact, they just accepted me as just another Master training his slave. It must have been a tremendous coincidence, but after a while another friend of mine who I knew was also a submissive came into the bar with another Master I'd served following submissively behind! Well, that night at the club we had a tremendous time, swapping our 'slaves' between each other and even letting other Masters use them. That night us two 'Masters' enjoyed spending the night in bed together as free men, sucking and fucking to our hearts content without being told what to do. We'd already decided that our slaves should be tied up and allowed to watch, but told them that there would be no sexual relief for them! Watching them getting so turned on and frustrated made our own sex even more

TWO'S COMPANY ??

Blast from the past ...

It was an oppressively hot summers day, one of those days when most of the guys on the building site would be wearing the absolute minimum of clothing.

It was on days like this that I'd avoid getting sexually frustrated by the sight of so many hunky half naked temptingly tantalising hunky blokes, instead retreating to my hut and keeping my mind totally diverted by catching up on the huge backlog of paperwork that I always managed to accumulate.

Nobody knew about my sexuality, and I worked damned hard at keeping that way.

Any conversations I had with the blokes on the huge building site where I was the gaffer were always very carefully guarded. I never went for an after work drink with any of them in case I had a bit too much alcohol - which wasn't an unusual happening these days -and unwittingly let my guard down. I didn't mind too much that they thought that I was a bit standoffish, just as long as they never discovered the truth about me.

It would be bad enough if they discovered that I preferred guys to girls.

But there was another part of my sexuality that only a handful of my very closest friends knew about.

I think Gerry must have come into my hut without knocking first.

I was completely engrossed in some tiresome and complicated stuff that the boss wanted urgently, so I might not have heard him knock.

Although I was vaguely aware of the door opening then closing, it was some time before I at last looked up to behold the incredible vision of Gerry's perfectly developed body silhouetted distinctly against the intense sunlight streaming in through the open window.

As my eyes slowly adjusted to the blazing glare, his unbelievably handsome face gradually became visible. He was looking at me intently, his dark brown eyes sparkling brightly, the hint of what I thought was an emphatically erotic smile forming on his dark red richly full lips.

The slight degree of dark stubble made him look somewhat older and more mature than I thought he actually was.

My heart began to pound furiously and my cock began to grow hard as some vague spark of a hazy yet incredibly arousing form of recognition surfaced in my mind.

My eyes roamed eagerly and uncontrollably over his superbly developed young body, the broad chest accentuating his slender waist and narrow hips.

I desperately tried to recall just where and when I'd seen him

before.

But despite my frantic efforts, his identity completely eluded me.

Deep down I was sure that I would have remembered meeting someone as handsome and hunky as this young guy.

Yes, I was quite sure that I'd actually met him!

I was staring at him, still struggling to remember just where and when I'd seen him before when his smile broadened as he spoke, enthusiastically proffering his hand.

"Hi, Geoff! So you're the gaffer here!"

I eagerly took hold of his hand and shook it warmly.

Just touching his flesh like this sent a thrill of excitement shooting through me.

I held on to him just a little too long.

Or perhaps he held on to me a little too long.

Either way, it seemed to take an embarrassingly long time before my parched mouth managed to form the words and stutter.

"Hi! Hi! Do ... do I know you?"

A look of disappointed bewilderment formed on his face, his brow creasing. He seemed genuinely upset, surprised at my lack of recognition.

There was an obvious tone of eager enthusiasm when he spoke.

"Gerry! Gerry from Manchester ... the club on East Street!"

Gerry!

Thrilling memories instantly flooded into my mind.

It must have been at least two years ago.

Gerry!

Gerry, the incredibly nervous, extraordinarily beautiful slender youth who'd slowly sidled up to me one evening as I sat alone at the end of the shadowy bar of the towns most notorious S&M club.

His body had changed quite dramatically since we'd first met there - he was now a powerfully built muscle guy.

I figured he must have spent the whole of the time since we met working out at the gym.

As I stared incredulously at this vision of metamorphic young masculine perfection the astonishing memories of our first encounter began to flood into my mind.

It was a Friday evening in the middle of summer.

I'd arrived at the club deliberately early, seating myself on a stool at the far end of the bar, away from the entrance.

Early enough to have a quiet drink before the usual crowd of local leatherguys arrived.

I'd intended to leave before the place became the usual heaving den of would-be Master's and slaves, stalkers and the stalked, subtle, unspoken yet clearly understood signals indicating who was interested in who.

Some of the dress code at the club was not so subtle.

Handcuffs, chains, whips and punishment implements of every description would clearly show exactly what some of the guys were into and what they wanted.

Would-be slaves wore leather or steel collars conspicuously fastened around their necks, unashamedly displaying their servile eagerness to serve and sexually satisfy another man.

That night I'd wanted to avoid this habitual charade.

As much as most of the guys on this scene would protest otherwise, we all knew the reality.

The 'Master's' merely satisfied the needs of the slaves.

Scene's were usually meticulously planned, details and code words agreed long before anything actually happened.

As much as I'd enjoyed my innumerable encounters on the scene so far, my protracted, final acceptance of this depressing reality had now started to jade my enthusiasm.

I'd had guys doing everything I'd ever fantasised about.

I'd fucked so many well thrashed eager arses that it seemed I'd been doing it forever.

I'd tied up and beaten more willing guys than I could remember.

I'd had my boots licked, my cock sucked, my arse licked by so many eager guys that I'd long ago lost count.

I hadn't felt any sense of loss.

This night was intended to be my final visit to the club.

A chance to sit and reminisce about all the good times I'd had.

To remember all the great guys I'd been a Master to. And, in my early days, who I'd served as a slave as my natural introduction to the scene.

I knew that it was time to move on.

Exactly where I was going I had no idea.

But I'd convinced myself that I'd exhausted this phase of my life.

I'd thought I was alone in the bar.

I'd sat nursing my pint of lager, silently musing about my most memorable sessions when my reverie was abruptly suspended.

From the corner of my eye I could see the vague outline of a figure slowly edging along the bar towards me.

I was well practised at judging a guy from just the merest glimpse.

Very rarely was I wrong.

This one looked too good to be true.

My heart pounded.

Even though I'd convinced myself that I was hanging up my leathers and quitting the scene for good, my long experience instantly put me on automatic pilot and I started to appraise this guy.

One of the unwritten rules here at the club is that a Master being cruised by a slave gave no encouragement.

So I gave him none.

I fought every bit of lust and desire that raged through my body

to feign indifference.

Despite wanting this slender young hunk as a slave more than I remember wanting anything, I forced myself to turn my head away.

I remembered his very first words to me as he finally sidled up and stood next to me...

"I know it's not ... "

He hesitated and coughed nervously.

"... it's not my place ... it's not my place to approach a Master like this ... Sir!"

His apprehensive voice was as seductive as his slender youthful body.

I'd turned my head to look at this stunning young Adonis.

From the corner of my eye I saw that he'd already bowed his head subserviently to the floor.

Without waiting for my response he continued to speak, this time much more agitatedly, the sense of urgency in his voice exciting me even more.

"I'm only here until Sunday night Sir! And I need a Master ..."

His breathing quickened, then he took a deep breath and blurted out

"I need to be a real slave to a real Master, SIR! And I need it really bad Sir!"

Slowly, still trying to maintain my charade of indifference, I turned my head to look at him.

He parted his legs slightly, holding his hands behind his back. This was the instinctive body language of a true submissive offering himself!

I'd stared at his body unbelievably, exceedingly glad that he'd broken one of the unwritten rules of this club by approaching a Master. Here it was customary for slave's to stand patiently until they were lucky enough to be approached by the Master they'd been having so much eye contact with.

He was wearing the customary white tee shirt, tight fitting pale blue jeans and old but highly polished black army style boots. Although his head was bowed to the floor and I couldn't see his face, I somehow knew instinctively that he would be good looking.

After keeping him waiting for a while I gave the order.

"Look up at me, slave!"

He lifted his head.

He was even more good looking than I'd even dared to hope for! His big dark brown eyes were sparkling brightly, heavily glazed with nervous expectancy, the pupils dilated into huge black pools of hopeful entreaty.

The long dark eyelashes served to increase the attraction.

My ideas about quitting the scene were slowly beginning to evaporate!

Somehow I'd managed to control myself and keep my hands off

of him!

Of course I knew that he was offering himself, desperate for me to fondle his body. I could see his slender young body trembling in anticipation.

The huge bulge straining the pale denim fabric in the crotch of his jeans had now grown unbelievably massive! It had become so enormous that it was stretching the fabric of the fly apart, revealing the metal buttons.

Automatically I asked the standard opening question.

"So, slave, what are you into?"

As the bland well rehearsed words left my mouth the feelings of abject resignation returned.

OK, so this guy was the most gorgeous hunk of young manhood it had been my pleasure to have offering himself.

He was a whole lot more than just handsome.

His fresh, slender young body was more perfectly developed than anyone I'd ever been with.

I replayed his words over and over in my mind 'real slave' - 'real Master' as I waited for the usual inordinately elaborate, customary response explaining exactly what the slave expected his prospective Master to do for him.

What code words he'd use to stop any punishment I might deem necessary to correct his 'bad' behaviour.

What he'd like to be 'forced' to wear.

How he'd like to be punished.

What implements he'd tolerate.

I'd already convinced myself that there would be no Master slave scene with this youthful Adonis.

As incredibly attractive as he was, I was tired of playing like this. Tired of constantly pandering to the needs of the endless stream of pushy slaves who approached me - after all, I'd gotten a reputation for being a 'good-but-fair' Master.

In other words I did exactly what was expected of me!

As prepared as I was for this customary banal routine response, I still needed to see him stark bollock naked! I needed to see just how perfect this young body really was!

Gerry's answer took me aback.

His voice was sensuous, strong and seductive, and his attitude seemed uncommonly genuine.

"I need to serve a real Master, Sir! I need to be trained to become a real slave, Sir!"

The intense expression of genuine longing on his handsome face was something I'd never seen before.

A nagging thought entered my mind as he continued to stare back at me.

If he was for real, if he genuinely needed the kind of total slavery I'd fantasised about, then my responsibility as his Master would be awesome!

He hadn't mentioned code words.

Just the simple fact that he wanted ... needed ... to serve a real Master.

What the Hell!

I'd nothing to lose.

Suddenly I didn't want to lose this opportunity.

I decided to keep the interrogation to an absolute minimum and again felt disappointed in my self as I heard myself automatically using yet another bit of the well rehearsed verbiage.

"What kind of punishment do you need?"

Again I'd expected a detailed inventory of implements, degrees of pain and an assortment of code words to ensure that the punishment didn't go beyond the amount of suffering the slave wanted.

Instead he stared directly into my face, his eyes widened, and he answered simply

"The kind of punishments that will make me a better slave for my Master ... SIR!"

This simple, direct answer was an entirely new experience for me. It was completely outside of the usual vocabulary of well rehearsed repartee that was the norm for practically every guy who came to this club.

Sure, there'd sometimes be the occasional variation, but basically it was always derived from the same well practised interrogation routine.

This ... this was something entirely new!

New ... and incredibly exciting.

New ... and incredibly foreboding.

For the first time since I'd come on to this scene I was being forced to think an original thought.

Possibly ... just possibly ... I was going to be forced to be a real Master to this guy.

A real Master with all the of the profound responsibilities that go with that privileged title.

I'd often wanked myself senseless fantasising about that incredible responsibility of having another man completely at my mercy.

When I shot my load under ordinary circumstances I'd always been extremely proud of the enormous amount of thick hot sticky cum that would spurt from my cock.

But just the idea of having another man completely under my control and totally at my mercy when I wanked myself off would increase this huge quantity even more, and my cock would be aching with the sheer exertion of pumping out such a quantity of cum!

These wanking sessions were, of course, always confined to the unaccompanied privacy of my bedroom.

Now ... if he was actually what he suggested he was... this was my first opportunity ... my first possible chance of finding out

if the reality matched the excitement of the fantasy!
He'd offered himself to me for a weekend of total slavery.
Despite my earlier reservations, his offer was just too much for
me to resist.

"Strip, slave!"

Although my order was the usual preamble to practically every
scene I'd ever had here, this time it seemed to have a far more
exciting significance and I dropped the normal voice of
exaggerated authority.

For an instant I glimpsed the almost imperceptible hint of a
smile that formed on his face.

He was grateful for the order.

And thankful for the way it was given.

Then the almost insignificant smile disappeared.

"Sir...Yes SIR! Thank you SIR!"

I watched him begin to undress and wished that there were
some other guys in the club to observe him stripping.

Not to show off my prize.

Humiliation was always a big part of my scene - even though the
reality was that slaves were usually desperate to show off the
bodies that they'd worked so hard on.

But of course it was far too early.

Tony the bartender moved slowly along the bar towards us,
trying hard to look disinterested, attempting to seem totally
unaware of what was going on.

But I knew damned well he'd have to have been superhuman
not to want the chance to see this incredible young guy stark
bollock naked!

Then Tony was standing really close to us, making a feeble
pretence of aimlessly polishing the bar as Gerry bent down to
untie the boot laces.

Bending over like this the flesh of his well rounded arse
stretched the tight pale blue denim almost to capacity,
straining at the fabric, forming two perfectly fashioned oval
mounds shifting provocatively as he moved. The seam
disappeared deep into the superbly formed cleft.

I glanced across at Tony.

There was no longer any pretence.

Like me, he was staring at the slave wide eyed!

From his movements, hidden from me by the bar, I guessed
that Tony was now unashamedly playing with his dick.

The slave removed the boots and placed them carefully side by
side on the floor.

Next the socks came off, and with the same careful attention he
folded each one, putting each of them neatly into the boots.

Then he straightened himself up, and I swallowed deeply as I
saw how enormous the bulge in his crotch had become!

I don't know what I'd expected to see when he slowly pulled his
tee shirt over his head, but I wasn't prepared for the sight of

such slender, youthful perfection.

Completely smooth, pale slightly bronzed flesh covered the lightly muscled torso.

Huge, dark red aureoles with pert, stiff nipples protruding rousingly outwards caused my cock to twitch. Already I was anticipating working on these beautiful tits!

I imagined myself securing that body immovably in chains, stretching the limbs to their limit, slowly fastening my favourite and extremely painful sharp-toothed alligator clamps on to each one as he writhed, squirmed and begged for mercy. But, although unspoken, we both knew that Mercy was not to be a part of our vocabulary.

The slave folded the tee shirt and draped it carefully over the boots and socks.

By now I was inwardly palpitating, sickeningly impatient for those skin tight jeans to come off! I already knew that I wouldn't be disappointed, but as he unbuckled the belt and struggled to pull the tight fitting Levis down over his slender boyish hips my heart pounded even more strenuously.

His incredibly long, thick cock was fantastically hard, standing rigidly to attention and touching his smooth, washboard-flat belly. A thick strand of glistening pre-cum oozed from the slit of his enormous dark red helmet, shimmering brightly in the dim light of the bar.

Then his massive hairless bollocks sprung free, hanging low between his thighs.

A vivid image formed in my mind ... that huge package of manhood completely enshrouded, painfully straining against the steel cage of the fiendishly designed chastity belt that I used to control my slaves urges.

He stepped out of the jeans.

Again he took his time, folding his jeans and fastidiously placing them on top of the rest of his clothes.

At last he was completely naked.

He stood up, spreading his legs wide and folding his arms behind his back.

I could tell from the satisfied look on his face that he was proud of the perfection of his young body.

And he had every reason for such vanity!

I eased myself off of the stool and walked around him, ostensibly to inspect his body.

Again this was part of the ritual here, but once more it was much more exciting than it had ever been before.

I almost started saying all the usual things, asking all the usual questions.

But this time I sussed that this really was different.

Something told me that this guy, despite his look of immaturity had, like me, already become sickened with all that stuff! Instinctively I knew for certain sure that it would have

destroyed the scene right then and there if I'd come out with all that crap!

I lingered behind him gazing in awe of his naked body, the perfect symmetry of his back, my impassioned gaze following the line of his long neck, the delicate ripples along his spine leading down to the dark obscurity of the cleft between the most incredibly pert orbs of arse cheeks that I'd ever been lucky enough to see!

My stomach churned as I visualised the numerous dark red weals that would result from my beating ... weals that would soon be defacing that soft young flesh - at least for a while.

For a brief moment it seemed almost sacrilegious to even think about marking that perfectly formed arse.

In my mind he was now completely shackled, his wrists and ankles secured in heavy steel restraints, a thick steel collar secured tightly around that delicate neck.

Almost without thinking, my hands were suddenly reaching down, grabbing and holding these soft mounds of warm, supple flesh, my keen fingers fervently manipulating them, kneading them carefully.

Then I was using my thumbs just as eagerly, forcefully pulling the cheeks apart to finally reveal the sight of the soft puckered pink surround of his tight little arsehole.

As my finger started to probe his most intimate opening he took a short intake of breath, his body jerked and he moaned softly

"Siiiiiiir! Oh! Thank you SIR!"

My heart was pounding wildly as I realised that this superb orifice of young manhood was totally available to me, to use in any way that I wanted.

I worked his hole slowly but diligently, probing with one finger, then I got another inside him and rotated these as I pushed deeper and deeper until his lithe young body started to tremble.

With every thrust I felt his hole clenching tighter and tighter. His body jerked and he let out an uncontrollable scream as I finally pulled out of him.

"Agggggghhhh! Thank you ... thank you Sir!"

I moved around and stood in front of him placing a hand on his shoulder, pushing down slightly.

It was an almost imperceptible pressure, but that was all he needed!

He immediately went down onto his knees, spreading his legs wide with his face resting gently against my bulging crotch.

After balancing himself, his hands immediately went back behind him to enhance his display of total subservience.

I'd kept him waiting like this for some time, watching excitedly as he licked his lips in anticipation of what he expected to happen next.

Then a hand on the back of his neck, a slight squeeze, and he instinctively started to lick eagerly at the ever growing mound in my jeans, salivating profusely to soak the fabric until it was saturated.

His head rolled from side to side, moving up and down, moaning slightly as he worked his soft young tongue frenziedly, trying his hardest to satisfy his new Master.

Then, when I was almost shooting my load, I pulled away from him, moving back to regain my place sitting on the bar stool. Without being told, his naked body followed, crawling across the floor willingly.

I sat on the stool and spread my legs wider and his face nuzzled deeper and even more eagerly into my wildly burgeoning crotch. But he knew that he was to remain motionless until he got the order.

His considerable expertise at using his tongue had been absolutely incredible for someone so young!

Right now my head was reeling, my mind in a turmoil, swimming with all the possibilities that were on offer.

Somehow I resisted the almost overwhelmingly powerful urge to pull out my raging hard cock and make him suck it. To force him to take the thick, throbbing shaft deep down into his throat, ordering him to suck it in until the pulsating helmet plunged far down beyond his uvula until he gagged.

I knew he'd do it.

Not willingly.

But as a slave.

He'd do it as a slave willingly serving his Master.

But this wasn't the moment.

It was another fantasy that I'd make damned sure would be fulfilled later.

It took every bit of self control to push him away.

And at that moment it occurred to me that he knew exactly what was happening!

He knew precisely what he was doing and what effect he was having on me!

The slave was testing the Master!

As he fell back awkwardly onto his haunches, his legs still wide apart and his beautiful stiff cock and massive bollocks clearly on display, I once again caught the briefest glimpse of a smile of extreme satisfaction form on his face, then just as quickly it disappeared to be replaced by a new expression, an expression that I egotistically took to be of his admiration for his new Master.

An unknown sense of profound pride swept over me.

The slave knew that he'd taken me almost to the absolute limit, taken me right to the very edge of my sexual appetite.

Taken me to the point where shooting the load that was boiling up in my bollocks was paramount.

And I'd somehow managed to overcome this overpowering temptation.

As I sat staring at this unbelievably attractive naked youth I was beginning to understand.

To be a real slave he had to test his Master.

He needed a Master who would be in absolute control.

To be in absolute control not just of his slave.

But much more importantly, to remain in absolute control of himself.

To be honest, when this realisation first hit me I felt resentful.

But my resentment was to be short lived.

He needed to be able to trust me.

To give himself completely to me as a slave he needed to be sure.

"Get dressed!"

I gave the order in an absolutely normal tone of voice.

No pretended aggression.

No more acting the part of a Master.

Just being a Master.

Gerry looked at me, his incredible innocent handsomeness endearing me to him more than any guy I'd ever been with. There was a tone of sincerity in his voice that I'd never heard before.

"Sir, yes Sir. Thank you Sir!"

As the slave was getting dressed, Tony the barman leant forward and said

"You lucky Bastard, Geoff!"

I just smiled slightly at him, but said nothing.

There was nothing to say!

All the way on the journey back to my house my mind was racing with wild possibilities.

In my car the slave sat silently beside me.

Without being told he was sitting on his hands, looking straight ahead, deliberately keeping his legs apart.

As I drove I took the unspoken invitation and began to gently grope around the bulge in his crotch, the incredible feeling of his long thick dick growing hard beneath my fingers driving me absolutely wild with anticipation!

The slave started to moan softly, pushing his hips forward and gyrating them slightly, quietly repeating over and over

"Sir! Oh! Sir! I really need to serve you Sir! Make me your slave Sir! Please make me your slave, SIR!"

As often as I'd heard these words before, this was the very first time they'd ever actually rang true.

And it was also the first time I'd ever been so amazingly turned on by hearing them!

My own cock was rapidly rising crazily to the astonishingly arousing occasion, and once again on this extraordinarily remarkable evening it was taking every scrap of self control I could muster to stop myself from ordering the slave to do

something about it.

Suddenly I realised what an awesome responsibility I'd taken on.

In a strange way I knew that the slave was demanding nothing from me.

Yet I knew he was expecting one hell of a lot from me!

And it was my obligation - my solemn duty - to use him in the ways that I somehow understood he desperately needed to be used.

Not 'used' in the usual sense on the scene, of course.

He wanted me to use his incredible body solely for my own personal pleasure without considering his personal needs or enjoyment.

He needed to be trained to satisfy my every sexual and physical demand.

We both knew that the abject humiliation the pain of the punishment he'd suffer at my hands would be a necessary part of this training.

In some strange and, for me, perverse way that I couldn't quite fully understand at this time, I knew that offering himself to me so completely like this was the solitary route to his unusual and ultimate sexual satisfaction.

This was my most forceful and fantastic fantasy becoming, moment by moment, what now seemed to be an irrevocable reality!

The alarmingly powerful and entirely unfamiliar sensuality raging through my body was making me more sexually aroused than I could have imagined in my most outrageously frantic fantasies.

My house was deliberately remote. Being in the building business had enabled me to buy it as a dilapidated building with large grounds at a knock-down price, and then spend a lot of time and effort restoring it.

Of course I'd been able to incorporate some rather unorthodox features, the most important of these being the fully equipped sound proof chamber that I'd previously used as a games room. But now it had an entirely different purpose.

Now the games were over!

GET SIX OF THE BEST ... FROM THE STORYTELLER!

'THE STORYTELLER'S ANTHOLOGY'

Six of The Storyteller's hottest stories bound together in one sizzling volume!

SCHOOLDAYS - PAINFUL REMINDERS

This story follows the progress of a young lad through public school - his initiation by the older boys - his visits to the games-master for a slippering and to the head for his canings - his relationship as a fag to the 'head' boy. In this story he's really made to work for his 'O' and 'A' levels!

BORSTAL BASTARDS

This story reveals the vicious and sadistic treatment dealt to a young offender in one of the country's most despised institutions. To help support his destitute family the main character turns to crime, gets caught and is sent to an institution to receive his 'short-sharp-shock' treatment. Being young and attractive is soon 'befriended' by the Borstal's head boy and eventually raped.

INCEST BY COMMAND

This story deals with enforced incestuous behaviour - CP - bondage and humiliation. Two brothers are blackmailed into becoming servants (slaves??) to an older man. They endure thrashings, and are trained to perform all the duties demanded and forced upon them - to obey even when it means total humiliation by performing degrading sexual acts.

BOUND TO PLEASE

This story deals with many forms of bondage, imprisonment and servitude. Captured by a gang of young vigilantes the main character is subjected to imprisonment and harsh interrogation. He is made to endure long periods of bondage secured with ropes, chains, and various other devices. The 'leader' is determined to break his young captive in front of the gang - no matter what it takes!

INFANTILE BEHAVIOUR

This story demeans a man's 'normal' relationships and behaviour. Because he is so weak-willed the main character is easily dominated and finds himself forced to behave and be dressed as a baby. To wear nappies, suck on a dummy, wet his pants etc.

TOTAL SLAVERY

This story involves considerable leather, bondage, corporal punishment as well as yellow and brown action, deprivation and humiliation. For quite a while this 'slave' has been enjoying scenes where he knows he is always in control, but is constantly and frustratingly aware that he needs the 'real thing'. In this story he gets to experience total and complete slavery from a leather clad Master whilst imprisoned and chained in a well equipped dungeon.
